This guide is designed to assist you in deciding whether to use the services offered by us. It contains important information about:-

- The services we can offer you
- How we and our associates are remunerated
- How we manage conflicts of interest
- Our internal and external dispute resolution procedures and how you can access them.

It is an important document. Please read it carefully and keep it in a safe place.

If you are a retail client and we agree to give you personal advice we will provide you with a Statement of Advice (where required by law) or a record of advice. In these we provide our advice, the basis of our advice, and information on any remuneration, associations or other interests, which might reasonably have influenced us in giving our advice.

If you are a retail client and we arrange an insurance policy for you, or if we recommend you buy a particular insurance policy, we will give you a Product Disclosure Statement when required. It is prepared by the insurer and is designed to give you important information on the features, benefits and risks of the policy to assist you in making an informed decision about whether to buy the product or not. It may be more than one document.

A guide to our relationship with you and others

What services can we provide?

Our various roles

We are an Australian Financial Services Licensee and are licensed under the Corporations Act to advise and deal in relation to all general insurance products.

Our Services

Arranging insurance for you

This is where we arrange for the issue, variation, renewal or cancellation of an insurance policy for you. The process differs depending on the type of insurance and we explain it to you when you apply for the insurance.

Providing advice to you

There are two types of advice service we provide and it is important to understand the difference:

- *personal advice* – this is advice provided by us to you on the suitability of general insurance policies to meet your particular needs. We will agree with you when this service is to be provided and what the scope of our personal advice will be. For example, in some cases we may only provide personal advice on which of a selected list of products is appropriate for you. Before we provide any personal advice we will need to undertake a needs analysis so we can provide you with appropriate advice.
- *general advice* – this is where we provide a general recommendation or opinion to you on a general insurance product which is not based on our consideration of your personal needs. We tell you when this is the case because if general advice is given you need to consider if the general advice and any relevant product is right for your circumstances as we have not done this for you.

In some cases where we arrange more than one policy for you we may provide personal advice for one policy and general for another. We tell you when this is the case.

Claims Assistance

We can also assist you when you need to make a claim. If a claim occurs contact us and we can help you decide what to do. We do not do anything without your consent. We provide this assistance as part of our overall service for no separate charge unless we tell you otherwise. We don't provide this service if we no longer act for you.

Any claims documentation, insurance company settlement cheques and other information received by us on your behalf will be provided to you as soon as reasonably practicable.

Premium Funding

In some cases insurers require the full premium payment up front. Premium funding is one way of not having to pay your premium in one lump sum. You will, however, have to pay interest to the premium funder on the amount borrowed. We can arrange premium funding for you in certain cases with the premium funders with whom we have a relationship.

We and AUB Group Ltd (AUB Group) (ABN 60 000 000 715), have a preferred supplier arrangement with Hunter Premium Funding Ltd (HPF) for the arrangement of premium funding. In arranging premium funding with HPF, or any other premium funder, we do not provide personal advice or represent that any of the funder's products and services are right for you or that they are the most appropriate. You need to make your own decision based on the information provided.

We may provide a variety of services and act in different roles.

	It is important to note that given the wide variety of general insurance products available and the need to remain competitive we may provide a variety of the above services to you and act in a variety of roles. For example, where you require a number of different covers we may provide personal advice for some products you need and act on your behalf in relation to them. For others we may only provide you with general advice and for others only act as agent of the insurer not you. We can provide a further explanation of why this is the case and we make sure we tell you what the service is and our role before or at the time we provide the service. Ask us if you need more detailed information or do not understand our explanation.
How can you give us instructions?	You need to give us instructions in writing by letter, email or fax or by another method agreed by us. We will tell you what is possible when you contact us.
What information do we maintain about you and how can you access it?	We are committed to protecting your privacy in accordance with the Privacy Act 1988 (Cth) (Privacy Act) and the Australian Privacy Principles (APPs). Where required, we will provide you with a Collection Notice which outlines how we collect, disclose and handle your personal information. You can also refer to our Privacy Policy available on our website (www.oib.com.au) or by contacting us for more information about our privacy practices including how we collect, use or disclose information, how to access or seek correction to your information or how to complain in relation to a breach of the Australian Privacy Principles and how such a complaint will be handled. If you would prefer to have a copy mailed to you, please ask us. If you wish to access your file please ask us.
How are we remunerated for our services?	When we act on your behalf in advising on or arranging insurance we can be remunerated in a number of ways. They can vary according to the service you require and/or our arrangements with the relevant insurer or their representative. We are remunerated by: • commission from the insurer plus a broker fee we charge you. In limited cases we may also receive remuneration from an insurer based on the profitability or volume of the business we place with them; or • "Fee Only – No Commission"; or • a combination of the above. For example, in some cases we may be remunerated by commission for the arrangement of some products and "fee only – no commission" for other products or services we provide. Details are provided below on each. Commission paid by the insurer to us Unless we tell you in writing that we will provide our service on a "Fee Only - No Commission" basis, we are remunerated by commission from the relevant insurer whenever you enter into an insurance policy arranged by us (including renewal and some variations which increase the premium payable). The commission is a percentage of the insurer's base premium (i.e. premium excluding stamp duty, fire services levy, GST or any other government charges, taxes, fees or levies). The rate ranges between 0% and 30% including GST. Different insurers can agree to pay us different commission rates for the same type of products. The rates also vary for each product type. In some cases the rate may be higher because of the role we play in performing certain distribution functions the insurer would otherwise have to perform. The commission rate does not represent our profit margin as it also reimburses us for administrative and other expenses we incur in providing our services. The commission is included in the premium amount set out in your invoice and we receive it when you pay the premium or at a later time agreed with the insurer. By way of example, if you buy a policy and the base premium is \$400 and our commission is 10% excluding GST, we receive \$40 plus \$4 GST on this amount from the insurer. When we provide you with personal advice we will tell you the amount of any commission for each financial product (or if it is not known the manner of calculation) in the Statement of Advice or Record of Advice. If we act on your behalf and you cancel a policy and obtain a refund of premium you agree that we can keep our fees &/or commission. This will apply even where you exercise a cooling off right. If we didn't do this we would not be properly paid for the services provided by us to you. Other remuneration arrangements we have with insurers In addition to the above, we occasionally participate in programmes with insurance companies which include a possible profit share component. The amount of profit share for these programmes is essentially determined by the amount of the premium earned when compared with the claims experienced in our total portfolio with the relevant insurer for a selected period of time. Due to the contingent nature of insurance, and the way the arrangements are set up, it is not possible to know the amount of any profit share, if any, to which we may be entitled until three months after the end of the qualifying period. Another component of these programmes are often the contribution to staff training and development expenses.

Through our participation in these arrangements, we have an association with insurers which may include Allianz Australia Insurance Ltd, QBE Insurance (Australia) Ltd, Insurance Australia Ltd and Zurich Australian Insurance Ltd, which we wish to bring to your attention. The amount of the profit share component is usually capped at up to 5%.

If you need more information or explanation of the above, please ask us.

We are also a member of the AUB Group of insurance brokers.

"AUB Group Limited (ABN 60 000 000 715) (AUB) is the sole shareholder of Austbrokers Insurance Member Services Pty Ltd ACN 123 717 653 (AIMS), a company that provides marketing, distribution and training services to members of Austbrokers. Some insurers pay a commission to AIMS on selected products arranged by members of Austbrokers, being an agreed percentage of the base premium (before government fees or charges). Different insurers may pay different commission rates to AIMS.

This money funds the provision of AIMS services to Austbrokers members. We and other Austbrokers members benefit from this support and it helps ensure we can continue to provide you with our extensive range of services. Austbrokers members may also be entitled to share in any excess of the commission received by AIMS in any one annual period (if any) after deduction of all relevant AIMS costs and expenses in providing its services in that period.

The commission referred to above comprises an amount paid to us for our services based on a percentage of the insurer's base premium. It also includes a commission of up to 2% of the base premium paid to AIMS. AIMS provides marketing, distribution and training services to members of Austbrokers and we may be entitled to share in any excess of its commission each year after deduction of its relevant costs and expenses in that period.

See below for soft dollar benefits we may receive from insurers and our policy on this.

Fees Paid by You

Unless we specifically agree in writing before providing our services to charge on a "Fee Only – no commission" basis, the Fees will be paid in addition to any commission we receive.

We may charge you:

- a Broker Fee – this is an administration fee payable when you enter into an insurance policy;
- a pre agreed set amount for specific services;
- an amount based on a pre agreed rate for the time we spend providing the service; or
- on some other basis agreed with you before we provide the service.

Any fee is noted in the invoice that we send you and is not refundable even if you exercise your cooling off period.

Where there is a referral

Where a third party has referred you to us, we may pay them an agreed amount for the referral as a commission or fee. The amount generally ranges between 1% and 55% including GST of our remuneration but can be higher or lower depending on the circumstances and we will tell you if this is the case. A commission or an agreed fee may also be paid on renewal and in some cases on variation.

If we refer you to another service provider we will be remunerated by them by way of a commission or fee for doing this unless we tell you we aren't. The amount generally ranges between 1% and 55% including GST of their remuneration but can be higher or lower depending on the circumstances and we will tell you if this is the case. A commission or an agreed fee may also be paid on renewal and in some cases on variation.

In making any referral we do not advise or represent that their products and services are right for you and take no responsibility for the products and services they may provide to you. You need to make your own decision based on the information they provide.

Our staff remuneration

Our staff receive an annual salary that may include bonuses based on performance criteria (including sales performance) and achievement of company goals. They may also receive remuneration for arranging premium funding or certain soft dollar benefits as described further below.

Receipt of Soft dollar benefits policy

From time to time we and our representatives may also receive what are commonly referred to as "soft dollar benefits" from product issuers and other financial service providers we deal with.

These can include entertainment (e.g. lunches, sporting events, movies etc), conferences (e.g. attendance at a product issuer conference or sponsorship of our AUB Group Annual conference by a product issuer), accommodation and travel, business tools (e.g. software), gifts (e.g. product issuer or service provider branded promotional items and other occasional small gifts such as bottles of wine or hampers on special occasions etc).

These benefits are provided by a wide range of product issuers and service providers. In most cases they relate to our development of an understanding of the product issuer and service provider and their product ranges and practices etc. Ultimately, this assists us in better servicing and representing you.

Our policy is that any of the above received by us or our representatives that exceed \$300 per item or transaction in estimated value are potentially material.

	This means they must be disclosed to our Conflicts Manager in writing. The Manager determines if appropriate procedures are in place to manage or avoid any potential conflict of interest which might arise. They only approve benefits where this is the case and retain a record of this which you can access on request. The above restriction does not apply to conferences or functions, the principal purpose of which is professional development and where the right to attend is not based on volume. Premium Funding If we refer you to a premium funder and you enter into premium funding arrangements with them, we may receive commission from the premium funder which is a percentage of the amount funded excluding GST. The amount of commission varies depending on our arrangement with the premium funder we refer you to. In some cases we have a profit share arrangement with the premium funder where we receive a percentage of any profit the premium funder makes on the funds loaned by persons we refer to them. We may receive soft dollar benefits from them too. If you use Hunter Premium Funding Ltd (HPF), we receive: (a) a payment based on the interest earned on the premium funding by HPF each month; (b) a commission which is a percentage of the amount of funding provided to you; (c) a payment based on a percentage of all outstanding loans less any cancelled or terminated loans; and (d) a payment based on a percentage on certain general insurance business placed by AUB Group Network with certain divisions of Allianz Australia Insurance Ltd. AUB Group receives certain upfront payments from HPF for entering into (or renewing) a preferred premium funding distribution arrangement with HPF. We are owned partly by AUB Group and benefit from any profit made by this entity due to this arrangement. If you need more information or explanation of the above, please ask us.
Money Handling Arrangements	We handle all money received from you or the insurer in relation to insurance in accordance with the requirements set out by the Corporations Act 2001 (Cth). We keep any interest earned on any amounts held by us on your behalf or on behalf of the insurer. The length of time we hold any money can vary according to the type of insurance and the different arrangements we have in place with insurers.
Do we have any relationships or associations with issuers or related bodies corporate that might influence our service or advice?	We are a member of the Austbrokers network of insurance brokers. In some cases we may refer you to or advise you to use the services of one of our related body corporates. They may act as agent of the insurer and you will be told when this is the case. As a member of the same corporate group we may indirectly benefit from any such referral or advice if it improves the group performance. Please refer to our remuneration section for the normal benefits we can receive under such arrangements. For Life Risk services we may refer you to Oxley Life Solutions Pty Ltd and for Workers Compensation services we may refer you to Oxley Workers Compensation Solutions Pty Ltd.
How do we manage Conflict of Interest?	We take any potential conflicts of interest seriously and have a Conflict of Interest Policy which we and our representatives must comply with and you can access by contacting us. Compliance is audited on a regular basis. Conflicts of interest are circumstances where some or all of your interests as our client, are or may be inconsistent with, or diverge from, some or all of our interests. Our procedures and training are all designed to properly manage any conflict of interest and it is important to note that we have legal duties we owe you when we act as your professional adviser. We treat these very seriously. A key conflict faced when we act on your behalf is where we receive benefits from someone other than you – this can potentially influence us to act in their or our interests rather than yours. Where we arrange a policy an insurer can pay us commission (see above for details). It is the major form of insurance broker remuneration and can create a potential conflict of interest because it may be in our interest to recommend the product issuer or service provider that pays us the most because it increases our remuneration. This may not be in your interest in certain circumstances. We have a number of procedures in place to manage this potential conflict of interest. For example, we tell you about this remuneration arrangement in this Guide and you can ask for more detailed information if you need it before you proceed. Where we provide personal advice we have a legal duty as a professional to put your interests ahead of our own and can only provide you with advice that is appropriate for you. If we can't provide such advice we will tell you. The Statement of Advice and/or Statement of Additional Advice we give you containing the personal advice also confirms the remuneration received. We and our representatives are trained in this important duty and compliance with it is monitored regularly. If you have any questions make sure you ask us.
Cooling off Period	A cooling off period may apply to an insurance policy issued to you as a retail client. During the period you may return the policy. Details of your cooling off rights are included in the relevant Product Disclosure Statement document. In some cases an insurer can deduct certain amounts from any refund. Ask us if you do not understand this right.

Other terms of our Service	Important Information about your insurance You must read the "Notices to Intending Insureds" document we give you (tell us if you have not received it) and ask us if you have any questions or do not understand anything we have set out in that document. It will help you understand some important matters about your insurance. Misstatement of Premium We try to tell you the correct amounts of premium and statutory and other charges that apply to your insurance. In the event that we misstate that amount (either because we have made an unintentional error or because a third party has misstated the amount), we reserve the right to correct the amount. Where permitted by law, you shall not hold us responsible for any loss that you may suffer as a result of any such misstatement. Professional indemnity insurance arrangements We and our representatives are covered under professional indemnity insurance that complies with the requirements of section 912B of the Corporations Act. The insurance (subject to its terms and conditions) will continue to cover claims in relation to our representatives/employees who no longer work for us (but who did at the time of the relevant conduct). Oxley Insurance Brokers is a proud member of the National Insurance Brokers Association (NIBA) and are bound by their Code of Conduct. We also subscribe to the Insurance Brokers Code of Practice (the Code). The Code sets out standards for Brokers to follow when dealing with clients including requirements to inform clients of remuneration arrangements and any conflict of interest. A copy of The Code is available from www.niba.com.au or by contacting our office.
