- **Profits** – I may be eligible to receive a percentage of profits from the Practice.

### Client fee and payment options

Before providing advice, we will agree the fees and payment options with you. The fee you pay will depend on the complexity of your circumstances and the services you require. Your options to pay for our services can include fee for service, commission, or a combination of both.

**Fee for service:** Fee for service is based on the service we provide. This fee can be determined by:

- An hourly rate.
- A fixed dollar amount.
- A percentage of funds invested (excluding borrowed funds).
- A combination of these methods.

We can invoice you directly for our fee for service. Alternatively, some products allow an adviser service fee to be deducted from the balance of your investment.

**Commissions:** Some product providers pay commissions to Millennium3. The amount of commissions received will depend upon the type of product and the premium paid.
